Background Information

UN City opened in July 2013 and currently hosts 11 UN organizations with 1,400 staff members representing more than 100 nationalities.

Throughout 2014-2015 the UN Refugee Agency (UNHCR) has relocated several key functions and services from its Headquarters in Geneva to UN City in Copenhagen, including UNHCR's Private Sector Partnership Service (PSP) supporting the Agency's global collaboration with the private sector through its network in the Americas, Europe, Asia Pacific, the Middle East and Gulf region and Africa.

From its new presence in UN City UNHCR is now scaling up its engagement with the private sector in Denmark through strengthened public awareness and fundraising activities in support of the world's refugees.

Established in December 1950, UNHCR is mandated to lead and coordinate international action to protect and assist refugees and other persons of concern. For more than six decades, UNHCR's work has helped over 50 million refugees restart their lives.
